

Why Wellness Plans?

Mandarin Animal Hospital Wellness Plans provide preventive veterinary services for one year, with the cost divided into 12 affordable monthly payments. You can upgrade your plan as your pet ages.

All plans include:

- Recommended preventive vaccinations and diagnostic tests.
- Co-pay for scheduled visits.
- Ability to choose a plan that includes your pets spay or neuter and/or microchip as well as other eligible plan items.
- Option to add additional diagnostics and wellness services catered to your pet.

At Mandarin Animal Hospital, we look forward to helping you provide your pet with the best possible care at every stage of life. Petly Plans helps us make that care more affordable and convenient for you.

Ask one of our team members about which plan is right for your pet.

Affordable Preventive Care For Your Adult Dog

www.mandarinanimalhospital.com

Wellness Plans Overview

Every pet has a unique set of needs. Mandarin Wellness Plans offer an array of plan options to choose from and can be personalized to meet your pet's needs.

Even better, our plans are good for your pet and your wallet.

Adult Dog Plans

Silver includes examinations, vaccines, laboratory tests and other services necessary to best protect your pet against illness and disease.

Gold is designed to keep your pet healthy and happy during the prime years of their life. This plan includes a routine dental cleaning with a complete series of dental radiographs.

Platinum is our most comprehensive plan which includes a 3 View Radiograph Series. These and other screenings, such as the included blood pressure screening, are an important part of preventive healthcare and maintaining your pet's health.

Restrictions

An appointment must be scheduled for all services to be covered.

Plan cannot be applied to past visits.

Vaccines administered based on age, breed & risk as determined by veterinarian.

Extractions, medications, and other charges incurred during a dental cleaning are at an additional cost.

Additional costs may apply to toe nail trims in the event the patient needs additional/chemical restraint.
